STUDENT INFORMATION SHEET

Please fill this out today and return to me.

Name ________________________________________________________________

Loyola Personal identification number (not social security no.) ______________________________

You may also have been assigned a "substitute" social security number, but that’s not the right number either; these substitute social security numbers seem to generally start with one or more 9’s, whereas the only Loyola PIDs I have seen so far start with 0. The Loyola PID appears in places like your tuition bill and transcript; it will probably appear prefixed by the letter “P”.

Full Electronic mail address (preferably lower case) __________________________________________

Use the shortest equivalent form, e.g., johndoe@cs.luc.edu instead of johndoe@math.luc.edu, or johndoe@luc.edu instead of johndoe@wpo.it.luc.edu. (Note that johndoe@cs.luc.edu is a different place than johndoe@luc.edu, though you could make one forward to the other.)

Remember the exact form of the email address submitted here, because The entire email address will be used as your “User Id” (case sensitive) for accessing the web page for this course. Your personal identification number (without the “P”) will be used as your “Password”. (One of the capabilities on the web site is to have a complete copy of your grade record emailed to yourself at any time.)

The email addresses I get will also be put on a mailing list for emergency announcements and answering questions of general interest to the class. You are expected to read your email periodically.

Choose from the back:   CLS code _____   COLL code _____

Term began at Loyola:   Fall  Spring  Summer I  Summer II  19___________  20___________

Related/prerequisite courses I have taken:
