## Communication Methods Chart

Let's consider some different ways you can communicate with others. For each of the following scenarios, fill in the table below with the method you would choose for that scenario and why. The methods are:

- Texting
- Phone call
- Talking in person
- MySpace / Facebook
- Twitter
- Email

Scenario to communicate	Method	Why you chose this method
1. Canceling an activity when it will really disappoint a friend		
2. Asking parents' permission to do something when you think they'll likely say "no"		
3. Figure out where and when to meet a friend for pizza.		
4. Plan a surprise birthday party for someone who could hear you if you spoke.		
5. Plan a surprise birthday party for someone not around you.		
6. Get help on homework.		
7. Feedback on a big decision (like what color dress for a big event, what game to buy, what phone to get)		
8. Announce you met someone famous.		
9. Mourn someone you lost.		
10. Buy something from someone you don't know well.		

Additional questions:

1. How would life be different if you could only communicate 1-on-1 instead of with multiple people at once?

2. How would life be different if you could only communicate in person?
